You're receiving this email as you are one of

our faithful Prayer Diary recipients and we want to say thank you for your support in this way.

Please keep praying for the work of East Norfolk Youth for Christ, which continues at a startling pace.

Click [here](#) for a copy of our summer newsletter, keeping you abreast of the exciting work going on, in and around Great Yarmouth and also introducing Amilcar, our Youth Evangelist (for those who don't know him). He has been working with us since Easter.

One matter currently exercising the Trustees' thought process is how to keep this work going and also how to extend the work.

We need to raise additional funds.

We have a great group of regular financial supporters which, with the cushion of a large one-off financial gift in 2014, has meant that we have not had to ask for more – and it would not have been right to do so.

However, things have now changed; money has been used up, paying workers' salaries

and we now do need to raise funds. Current projections show that our annual expenditure will exceed our income by around £12,000. I hasten to add that this is a projection over a one-year budget only. God will provide – He always has.

If you do not already give but do have a heart for young people in Great Yarmouth please will you consider becoming a regular giver? Click [here](#) for a Direct Debit mandate to facilitate that calling if you can.

Many small amounts add up.

£5 a month x loads of people = a fantastical amount.

Thank you again for your prayerful support

**With love in Jesus name
