Exploring Easter

Exploring Easter Videos

We are in the process of creating eight short videos which explore the Easter story. The videos will be 2-3 mins each and will all be available on our [YouTube channel](#) by Monday 27th March for churches to preview. They will also be released daily on our [Facebook page](#)

The eight topics will be Palm Sunday, cleansing the temple, Jesus' teaching, Last Supper, Gethsemane and Trial, Good Friday, Living in the in between and Easter Sunday.

Your Church treasurer may be interested in some upcoming training provided by ACAT. Baptist Union has block membership with ACAT so any church in membership with the union can access the training. Most training is on Zoom.

Details of up coming training courses can be found <https://www.acat.uk.com/training-events/>
